

# Chainbar 150

## Product Description:

A high quality virgin oil based chain bar lubricant suitable for all varieties of chainsaws & sawmill applications requiring a tackified lubricating oil.

## Product Applications:

Applicable for all makes & models of chainsaws, and for lubricating bearings & chains as used in sawmills which require a chain bar lubricant.

## Features & Benefits:

- Tackifier added into product
  - Adheres to the chainsaw bar minimizing fly off of chain bar lubricant
- Enhanced viscosity characteristics
  - Higher viscosity gives better lubrication & better adherence to bar & chains

## Physical Properties:

Test	Units	Result
Density	gm/ml	0.9typ.
Appearance		Clear/bright dark brown fluid
Viscosity @ 40C	Cst	150typ.

## Health & Safety:

Syntol Chainbar 150 is a petroleum based product. It is recommended as with all industrial oils & cleaners that repeated or prolonged contact is kept to a minimum. At no time should it be disposed down sewers, storm water, or any other waterway. If spillage occurs contact your local council authority or refer to the MSDS.
